

VESPER

LOUNGE CHAIR

design Atelier D.Q.

2025

As dusk settles, vesper emerges. Inspired by the greek myth of the evening star, this lounge chair offers a peaceful refuge. Lean back and let the crescent curve of the upholstered backrest envelop you. Before you know it, your fingers will be tracing the thick, handwoven leather stitches along the armrests, seamlessly flowing into the stainless steel frame. Vesper will shine in any ambiance: tailor it to your interior by choosing from black or six stainless steel finishes, leather or fabric in over 60 options. True to ritzwell's philosophy, this lounge chair is designed to be lived with, to age beautifully, to evoke memories—like the evening star, always returning.
