CONCEPT FURNITURE WITH MEMORIES

リッツウェルプロダクトデザインコンセプト「愛着を記憶する家具」

Ritzwell のデザインのベースとなっているのは、
バランスのとれた簡潔なフォルムと素材を生かした有機的なモダニズム。
「実用性」と「審美性」の二つの視点から幾度ものブラッシュアップを繰り返し、
過剰さをそぎ落として家具として造形していくプロセスこそが、
時を重ねて美しさを増す Ritzwell の家具の魅力を生み出しています。
素材を使い込むほどに、背のかたちや皮革のしなやかさ、
親しみのある皺までがいとおいしいものとして記憶され、
時と共に新たな表情を生み出し続けます。

The Ritzwell product design concept “Furniture with Memories”

Ritzwell designs are based on organic modernism
that combines a balanced,
simple form with all the beauty and grace of the materials.
Each piece goes through a feedback cycle of evaluation and redesign,
examining both utility and aesthetics,
and emerges stripped of extraneous elements to leave
only the fascination of Ritzwell furniture that grows more beautiful with time.
The more you use it, the more the shape of the backrest,
the smoothness of the leather,
even the wrinkles, remember your body and mold to it,
changing over the years to grow ever closer.

Il concetto Ritzwell di design: “Mobili creati per ricordare”

Il fondamento del nostro design è una fusione
di forme semplici ed equilibrate
e di modernismo organico passando per la valorizzazione dei materiali.
Il processo di concepimento creativo delle nostre opere
e il loro continuo perfezionamento
a livello di “funzionalità” ed “estetica”, liberate quindi dagli eccessi,
vi imprime un fascino che col tempo ne accresce la bellezza.
Più li si usa, più memorizzano nel legno e nella pelle la forma del corpo,
sino alle grinze più amabili che col tempo mutano d'espressione.
